I give permission for my child to be transported from the Early Childhood Center to PS 207, 4011 Fillmore Avenue for after school activities. My child will be picked up from the ECC at approximately 2:15 pm on Monday through Friday unless otherwise noted. The name of the bus company providing the service is L and M Bus Company. My child will be accompanied on the bus by a counselor provided by the New Adventures Afterschool program. Finally, I give permission for my child to be walked or driven to PS 207 by a New Adventures staff member in the event that there is an emergency with the bus company unable to pick up children at the ECC.
